

# THE UP PROJECT

- Are you looking for a new opportunity?
- Do you need help with practical or personal issues?
- Is your offending history preventing you from moving on?

**Unlocking Potential** helps young people aged 18 to 25 with criminal convictions to get into work or training.

# THE UP PROJECT

## **We can help you:**

- Sort out practical issues like housing, benefits and debt
- Improve your mental health and wellbeing
- Access training
- Get work experience and improve your employability skills

At Leicestershire Cares we see beyond your conviction and give you an opportunity to **unlock your potential.**

For more information, please speak with your work coach, offender manager or contact The Up Project:
